OLE !

Le souffle chaud de la bête
a traversé ses vêtements
mais d'une cambrure des reins
le torero a esquivé ses cornes
Et son regard s'étoile
dans les applaudissements de liesse et d'admiration
qui s'élèvent des gradins

Les spectateurs pourtant
lorsque la vache a surgi
n'ont pas été impressionnés
Elle n'a pas la haute et large stature
des taureaux qui en une longue torture
qui en une lente agonie
lors des corridas sont massacrés
Mais en quelques secondes il ont saisi
que sa force n'est pas sa masse
Mais d'incarner la foudre
Et que lumière noire striant le sable
elle est au moins aussi dangereuse
Et le spectacle est magnifié
de ce que l'homme s'expose
avec pour unique arme
l'étoffe pourpre qui tournoie au bout de ses doigts

Dans la nuit les acclamations de la foule
célèbrent le courage du torero jusqu'aux nues
Depuis l'orée des temps confluent en ses muscles
la puissance et l'adresse de l'animal
que domine sa volonté humaine
de respecter la vie

Alternative aux corridas, les courses landaises sont dangereuses. J'ai souvenir d'un torero, en quelques secondes tache écarlate dans l'arène, qui finit la soirée aux urgences.

Monday morning
I crossed the river
the usual homeless
crossing Russell Street
nothing remarkable I thought

swiftly I pressed on
then to my surprise I became aware a girl knees drawn up in her jeans head in a place of cardboard
was watching me move away we were in eye contact all the time
I was thinking 'a sight like this is typical of the United Kingdom
a man cannot walk across London without seeing people lying in the street
this is what our society represents' in seconds I was gone
so common is this sight one does not give it a second thought

We offer nothing to one another

abuse each other's faith
The bulls are running in London
if you get in the way there is nowhere to fall
it is a sport in which an animal is baited to death
human beings, treat each other in the same way
we the people of Britain are mere statistics bodies lying in the street

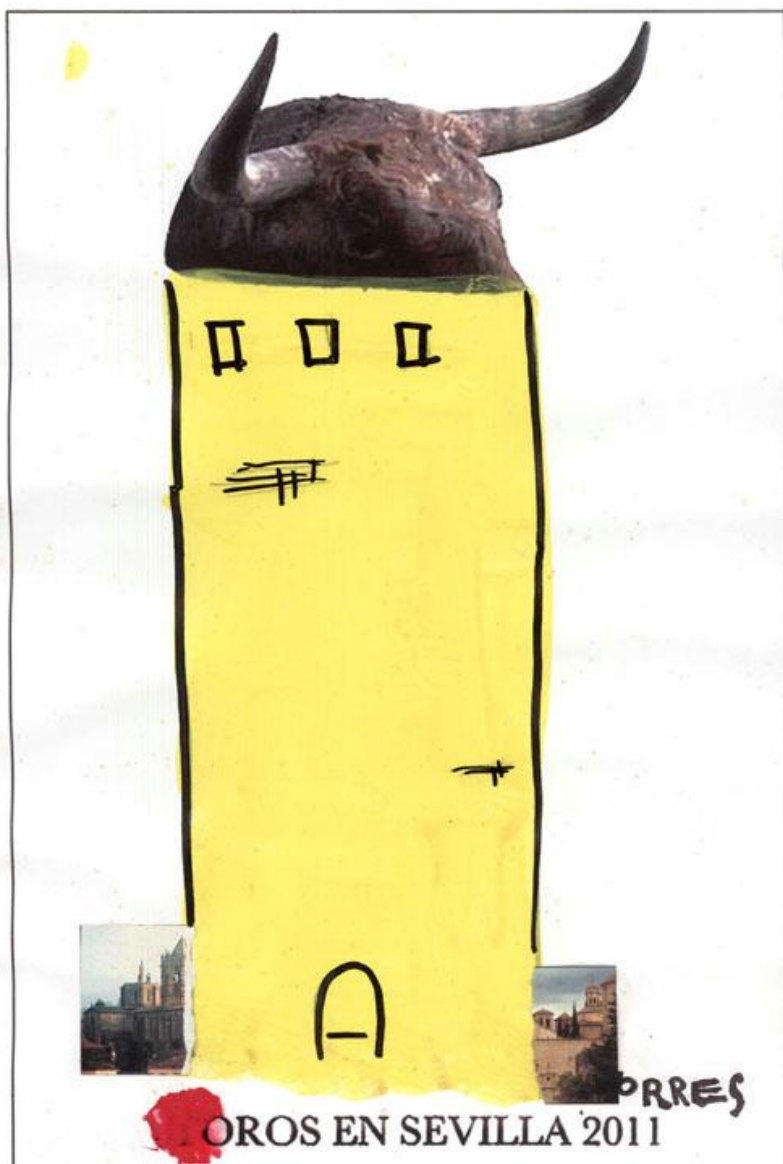

the great fighters of the bulls
exist in the carnage of their making
